

asecos at Fire Safety Event, NEC Birmingham 2017: Professional storage of hazardous materials on stand F122

Gründau, 1st February, 2017 – asecos, the leading German manufacturer of highly-insulated internal safety storage cabinets, are pleased to announce that we will be exhibiting at the Fire Safety Event at the NEC Birmingham from the 21st to 23rd March 2017 on stand F122.

You will be able to see some of our latest products for the storage of Chemicals, Flammable Liquids and Compressed Gases, all manufactured to BS EN14470. You will also have the opportunity to meet our UK based team and discuss your storage needs in detail.

You will be able to take a copy of our market leading Hazmat Guide, as well as our comprehensive 2017 product catalogue.

Our team of experts will be on hand to advise, guide and provide a solution for all of your internal hazardous material storage needs.
